We are extremely fortunate to have Penny Glover, at the RA Squash Club. She has been a member here since 1970! Penny became a national level referee at the inception of the Officiating Program and soon after appointed as National Officiating Examiner and Instructor which she continues to do.

Penny served on the Canadian and Ontario Officiating Committee. She has served as Chair of both at different times. She also served on the National Teams Committee during the 1980s.

In 2006 Penny was recognized, by the Government of Ontario, receiving the Syl Apps Volunteer Award.

In 2013 she received the Squash Ontario Simon Warder Officials Outstanding Achievement Award – nominated, and voted upon, by her peers.
